Set Decorator

lulusmail@mac.com

An experienced Set Decorator (Local 44) I began working in film after studying at the NW Film Center in Portland Oregon 15 years ago. I have worked in many capacities (Set Decoration, Art Directing, Production Design and Photo Prop Styling). My career began as a set painter/decorator of miniatures for the animated TV series "PJ's" (Formerly Wil Vinton Studios, currently LAIKA in Portland, Oregon). Since moving to Los Angeles in 2001 I have had the opportunity to work with some very talented and creative film directors, most recently with Sofia Coppola on her soon to be released "The Bling Ring." I have decorated a number of award winning music videos and commercials including 50 Cent's "In da Club" and The Black Eyed Peas "Don't Phunk with my Heart" and most recently Fredrik Bond's story of Prohibition for this years Budweiser's Super Bowl commercial entry. I have enjoyed the creative path that working in film has allowed me to explore and I look forward to learning more. The interaction and the creative process that my job as a Set Decorator requires has lead to many strong working relationships as well as friendships with amazing people while inspiring many aspects of my life.
