I Enjoy Very Much the Process of Film Making and the Many Duties it takes, to Support The Designer, Art Department, Set Decorator, Director, Director of Photography and The MANY Other Departments in the Industry of Television and Film.

I moved to California from Chicago in 1991, in Search of work in Television and Film.
I got my first Camera when I was a Single Digit Age in the Early 70's. I Loved Taking Pictures, and Very Much Loved All the Television Shows that were on the Air at the Time!

My First Job (at Age 11) was washing Hair and Folding Towels for a Neighbors Beauty Shop.
I Lied on my Birth Certificate to Work at McDonalds before the Legal Working Age
While a Junior in High School I began Professional Work

1980 1983 West Suburban Bank - Bank Teller

1982 Hinsdale South High School Graduate

After High School I started my Journey in TV, Film, Communications and Photography

1982 - 1983 College of DuPage - Television and Film

1983 - 1985 Lasalle National Bank - Bank Teller

While Attending

1983 - 1985 Columbia College - Tv and Film/Arts and Entertainment Management

Through my Career, I made the Time to Film, Cover and Document The Current Events of the Day.
The Homeless, The Many Issue's of the United States Veterans, Women's Cancer, Health Care, and
The Many Foundations and Organizations Raising Money For a Cause.

I Feel Privileged to Have Learned from the Best of the Old School FILM MAKERS and Transitioned
with them to the Age of Digital.
