NOTICE OF ELECTION

In conformance with its Constitution & By-Laws, as well as the Labor Management Reporting and Disclosure Act of 1959, and the Constitution of the IATSE, notice is hereby given that Affiliated Property Craftspersons, Local 44, IATSE, will be conducting its triennial election for officers during the months of March and April, 2013. Pursuant to Article IX of the Local's Constitution & Bylaws, the election process will be overseen by the Local 44 Election Committee.

The offices subject to this election are: President, Vice-President, Business Agent, Secretary-Treasurer, Sergeant-At-Arms, two (2) Representatives each from four (4) Crafts (Coordinators, Prop Masters, Set Decorators, and Special Effects), and three (3) Representatives each from the other Crafts (Property and Propmaker). Additionally, there are three (3) Trustee positions and one (1) Delegate for Conventions of the IATSE from each of the six (6) Crafts that are subject to the election. Those elected to the offices of President, Secretary-Treasurer and Business Agent serve as delegates to Conventions of the IATSE by virtue of their office.

There are also twelve (12) Alternate positions open in this election. There is an Alternate for each of the six (6) Craft Executive Board Representative categories, and six (6) Alternate Delegate positions for each of the six (6) Craft Delegate positions.

The Election Committee is in charge of finding an Election Service Provider, securing a post office box for return ballots, and working with the Balloting Service to prepare, send, retrieve, and count the ballots. The Committee also generally administers the election process and coordinates the mailing of literature from candidates to the membership. Pursuant to Article IX, Sections 2 & 8, of the Local's Constitution & By-Laws, the Election Committee is the sole

body within Local 44 that may receive and rule upon any objections, challenges or protests that arise throughout the election or that are filed after the ballots are tabulated.

The primary election ballots will be mailed by March 15, 2013, and must be received (not postmarked) in the secured post office box selected by the Election Committee no later than 9:00 a.m. on April 1, 2013. The ballots will be sent to the membership by the Election Service Provider; a separate instruction sheet, as well as a self-addressed stamped envelope, will be included with the ballots.

The Election Committee shall oversee the counting of the ballots by the Election Service Provider and each candidate may have three (3) members in good standing of the Local designated as his/her observer to be present at the ballot count.

If no candidate wins election outright in the primary for a contested office—they must receive 50% plus one vote of all qualified votes cast—then there will be a run-off round for those contested positions. The top vote-getters in each primary contest are in the run-off (again, only in the event that a candidate does not receive 50% plus one vote of all qualified votes cast). If there is only 1 spot available (such as Business Agent, Secretary-Treasurer, President, etc.) and no candidate receives 50% plus one vote, then the two (2) candidates with the highest vote totals will compete in the run-off election.

In the event that no more candidates than open offices are nominated, then the candidates so nominated are deemed elected. For example: if only one candidate is nominated for the office of Vice-President, that candidate is automatically deemed elected as the Local's Vice-President for the next term of office per Article IX, Section 4,

of the Local's Constitution and By-Laws.

However, if there is more than 1 position at stake (e.g., three Property Person Executive Board positions) then any candidate receiving 50% plus one vote in the primary election shall be declared elected; any remaining office(s) where no candidate received 50% plus one vote shall be subject to the run-off election. In such an event, then the candidates in the run-off are the candidates with next highest vote totals, plus one. For example: in an election for three Property Person Executive Board seats, if only two candidates achieve 50% plus one vote, the next two candidates with the highest vote totals are then in the run-off election for the one remaining Property Person Executive Board seat.

Ballots for a run-off election will be mailed on or before Wednesday, April 10, 2013, or the closest business day thereto, and must be received at the post office no later than 9:00am on April 30, 2013. If a run-off for any elected office is required, these ballots will also be sent to the membership by the Election Service Provider; a separate instruction sheet, along with a self-addressed stamped envelope, will be included with the ballots. Any candidate in the run-off election shall also have the right to appoint an observer, who must be a member in good standing, to be present at the ballot count.

A special Executive Board meeting will be called on June 5, 2013, to install all elected officials whether they won in the primary or the run-off elections.

Please consult Article IX of Local 44's Constitution and By-Laws for additional information about the election process. Copies of the Constitution and By-Laws are available at the Local's Business Office.

ELECTION COMMITTEE CERTIFICATION

The statements of every candidate contained in this Voter Information Guide were printed verbatim and were not edited by the Election Committee, except to ensure compliance with the 100-word limit set forth by Article IX, Section 5 of Local 44's Constitution and By-Laws.

Statements made by any candidate express only the views of that candidate, and do not represent the views of Local 44, the International, or the Election Committee.

BUSINESS AGENT

THOMAS BELLISSIMO

Get ready to shake hands and meet some new faces. Our current Union Officials are seeking reelection. As a member of local 44 for over 23 years, I'm concerned with the state of our work place. Production continues to ignore regulations while none keep watch, and our work flees across borders. Our elected union leaders have the responsibility to protect our interests, and we have the responsibility to hold them accountable. As your Business Agent, I will restore strength that our union once had. Give me your vote, and I'll give you my word.

ED BROWN (inc.)

Our Union has found its place. A respected professional organization, you can take pride in. I have kept true to my promise; rebuild Local 44 into the highly respected Union it is today.

I will continue to dedicate myself to our membership's evolving needs in a challenging industry.

Professionally representing every member, every craft, full-time, all the time!

BRUCE KASSON

Dear Members,

I've been a set dresser, lead person, asst. prop master, and prop master for more than thirty years. I'm not a politician, I'm a trade unionist. Unlike our incumbent, I will not serve on multiple boards of directors, nor as IA District 2 Secretary.

These additional functions, and their inherent duties, have caused Brown to become complacent and ineffective in service to L.44 members.

If elected, I will not accept any other positions or appointments – I will serve only you, my Local Union brothers and sisters.

Vote with knowledge and confidence.

BRUCE KASSON – Business Agent

Our Union is heading in the right direction. As we advance together, I know my experience, focus and determination will help us continue to improve our organization.

As always, I will work on progressive programs that advance our Membership and maintain the same fairness and professionalism for which you have come to identify me.

Additionally, I support Business Agent Ed Brown along with all the incumbent Executive Board Officers who work hard for each and every Local 44 member.

I look forward to Local 44's future with vision and resolve that we can continue to improve collectively.

I have been a member of Local #44 for over 30 years. I am a retired Set Decorator. I have served as a Trustee since 2003. During that period of time I along with my fellow Trustees, have developed a Manual for the Trustees which outline duties for future Trustees. The Trustees work independently from the elected Representative Board. We audit accounts quarterly and our reports can be found in the minutes. We report quarterly at the Board meetings. Among other things, the Trustees have made regular recommendations which have been adopted by the Board.

I have been a member of Local 44 for about 35 years and served with the government of this Local for most of those years. My hope is that there are those among you who will find how important you can be to this union by serving in one capacity or another. My experience has prepared me for Trustee, where I have served with two other fine Trustees. By being retired from working the set I have the time needed to fulfill the duties of this post. Thank you.

I originally ran for this office because I believe that if you're not part of the solution, you're part of the problem. Now that we have a union government that is honest, reliable, and responsible, which is aggressively pursuing the best possible implementation of our contract, I don't want to see what we've worked so hard to accomplish be dissolved by apathy or disregard. If you're satisfied, vote to keep this great Executive Board in office. If you're unhappy with the our union, before you vote otherwise, please ask yourself, "Am I part of the solution?"

ANDREW MOORE (inc.)

Dear Brothers & Sisters,

I invite you to contact any of your Executive Board Craft Representatives for any Craft related issues that concern you. We are your voice on the Board.

In my two terms as a Construction Coordinator Representative for our Local, I've seen a lot of good work produced by some very dedicated people. In particular, I feel that Ed Brown and Anthony Pawluc have done a great job at Local 44. Please consider them in the upcoming elections.
